

Laundry Mat Attendant/Delivery Driver

Thank you for your interest in applying for a position at Denton's *only* state of the art Super Laundry Center. This 3000 square foot facility features Speed Queen equipment, a wash and fold service, High Speed Internet connections, Cable TV, a kids play area, vending machines and has an attendant on duty at all times. We have 84 washers and dryers that are all operated by a debit card system. Customers will need training in how to use this coin-less facility and we need friendly, helpful people to walk them through the process.

There are four main areas of duties:

1. **Customer Service-** You will help customers with the debit card system and show them how to use the equipment. If they have problems you are there to solve them and offer any assistance. You will also be there to offer any advice on stain removal, and offer assistance to and from their car. In general, promote a friendly, personable atmosphere and sell the business.
2. **Cleaning-** You will be responsible for all the cleaning of the building, bathroom, parking lot and equipment on a daily basis. Customers expect a neat, clean place to come get their clothes clean. This is a critical element of having a successful Laundromat and will need your constant attention.
3. **Wash and fold service-** The bundle service involves washing and folding the customer's clothes in a professional manner. You will be required to keep up with the latest in stain removal techniques and present each customer with a quality finished product.
4. **Pickup and Delivery-** We pickup and deliver laundry within a 25 mile radius. Large laundry carts weighing up to 75 pounds are delivered to customer locations. A safe driving record and professional appearance is required.

Job Requirements: We are looking for people with a modest, conservative appearance and a positive attitude. The ability to count money, handle cash register transactions, and follow procedures is critical. Please note any special training or experience you have on your application. You also need the ability to handle people, solve problems and have some typing and basic computer skills. Some lifting will be required both in laundry services and pickup and delivery. The ability to speak Spanish would also be desirable. We want employees who will treat the store like they would if they owned it and create customer loyalty. Each attendant will receive paid training prior to starting as well as on the job training. All applicants will have a background check. If you are a smoker there will be no smoke breaks for the entire shift.

Benefits- \$8.25 to start. \$8.50 after 30 days of training. Quarterly bonus for top performers. Free personal use of the washing machines and dryers along with a flexible schedule make this a great opportunity for the right person. Apply in person at 1825 West University Drive Denton, TX or at WashItKwik.com. **Any application without work references and phone numbers will be disregarded.**

In Christ-

Bruce Walker
